

EARN YOUR BURN

Big Green Egg®

BAC Fireside Group is excited to offer Dealers an opportunity to EARN their 2026 Demo EGG Package for the purpose of cooking at their store and/or community events.

How It Works: After your initial Big Green Egg (BGE) Demo is completed, any additional demos will be credited 1/8th towards your Demo EGG Package price. For example, if you host 8 additional demos, your Demo EGG Package will be paid for with your earned credits. We recommend hosting at least one demo per month to reach your goal of 8 additional demos per year. Once you have completed an additional demo, we will give you credit for each one that is completed.

It is important to note that this form should be submitted each time a demo is performed with updated dates for credits to be approved.

Program Details:

- Limit of one BGE Demo Package per dealer location, per year, is eligible for the Earn Your Burn Program.

To Qualify:

1. After purchasing a Big Green Egg Demo, complete your first demo and submit your Demo Package Credit Request.
2. Dealer must have 2 certified Eggsperts on staff. (Must have completion certificate).
3. Complete the 2026 Earn Your Burn Program Form for your additional demos throughout the year, for up to 8 additional demos.
4. Provide the following for each demo:
 - A. A photo of the demo.
 - B. Dates of the demos.
 - C. Receipts for demo food (up to \$50 per demo).

Photo Requirements: Demo photos must be taken in front of the store, showing Big Green Egg food on the grill, and include demo participants.

Once satisfactory photos, dates, and receipts have been supplied for all events, the dealer will be issued a credit for 1/6th of their Demo Package price for each approved demo. **All Demos completed in 2026 must be submitted no later than January 10, 2027, to earn your Demo EGG credits.**

BAC reserves the right to deny any Demo Egg claim submitted without satisfactory photos or receipts. BAC holds the final claim on the satisfactory determination for Earn Your Burn. Any claim deemed unsatisfactory by BAC will not be credited back to the submitting dealer, unless additional satisfactory documentation is provided within the program period.
